Dr Coral Kemp

Director

As a qualified teacher, special educator and teacher trainer Coral has established and coordinated many projects relating to the education of children, in particular young children with disabilities and other special needs. She has held supervisory positions in two state education systems and has been a consultant for the state and independent sectors in NSW. Over the past 17 years at Macquarie University, Coral has held positions as: Assistant Director of Macquarie University Special Education Centre (MUSEC), Deputy Principal and Acting Principal at MUSEC Special School; and Team Leader of the Early Years Initiative at MUSEC. She has also convened a number of University courses, including the Postgraduate Certificate In Early Intervention.

Qualifications

Special Education Doctoral Degree & Master of Arts in Special Education, Macquarie University

Bachelor of Arts, Diploma of Education, Macquarie University
