

What STaR Represents:

Access

- ★ to research-based special education and special educators for children with disabilities and/or special learning needs
- ★ to inclusive early childhood education

Opportunity

- ★ for children with disabilities to reach their potential in an inclusive early childhood environment
- ★ for parents and carers to be involved in their child's education and learning
- ★ for early childhood staff to increase their understanding and knowledge of working with children with disabilities and/or special learning needs
- ★ for parents, families and carers to be supported and informed

Acceptance

- ★ of difference through inclusive education
- ★ of difference within the community through increased knowledge
