Strategies to achieve our vision

Empowering Children

1. Grow childcare support program through expanding network of Childcare centres to all metropolitan areas and 1 regional area via partnerships
2. Grow outreach program (gifted and special needs) across pre schools and childcare centres to all metropolitan areas and 1 regional area
3. Continue offering School Start program to support all STaR children we work with

Empowering Families

1. Develop STaR approach and capability in working with families
2. Build family capability in living with disability

Empowering Communities

1. Build community knowledge and skills around disability and acceptance
2. Strengthen relationships with Aboriginal and CALD communities

Empowering STaR

1. Build the STaR profile
2. Develop and implement scalable training model for childcare centre staff
3. Access private funding opportunities
4. Build and deepen relationships with Federal & State bodies to leverage funding opportunities
5. Build and maintain STaR's reputation as a research-based organisation
6. Leverage technology to build STaR profile and support education
7. Implement key governance and administration structures
