# Valentina Borbone

## President

Valentina has an extensive career over more than 20 years as an agency-side marketer, working with an impressive range of clients including Apple, FOXTEL, Macquarie University, The Young and Well CRC and [realestate.com.au](http://realestate.com.au). Having had a range of senior management roles, Valentina has developed comprehensive experience that has enabled her to manage and grow a full service digital agency and co-found a digital consultancy business. Currently, Valentina is an Expert Advisor for The International Social Media Association, lead digital trainer for ADMA's Digital Marketing Certificate, Digital Essentials and Email Marketing courses and is a freelance digital marketing trainer and seasoned presenter.

Valentina's daughter, Angelique, enrolled in the STaR program in 2013. Valentina experienced STaR program results very early in Angelique's inclusion program and has continued to support STaR's growth in every way to enable other children to participate successfully in their social and educational contexts.
