

STaR Association FEE SCHEDULE

Service	Cost	Helping Children with Autism Provider	Better Start Provider
STaR OUTREACH			
This program assists children with disabilities and/or additional needs to develop skills and be more successfully involved in mainstream preschools and childcare centres.	\$1,370 Based on approximately 10 sessions	Yes	Yes
SchoolSTaRT PROGRAMS			
1. Preparation for School			
This program is based on research that identified the most important skills for successful transition to school: attending to task, following directions, self-help skills and social skills and, where appropriate, early academic skills. It is implemented in the child's preschool or childcare centre.	\$1,089 Based on approximately 10 weeks	Yes	Yes
2. Orientation To School			
This program supports families and their child before, during and after the transition to the child's school.	\$2,145 Based on approximately 8 sessions	Yes	Yes
STaR CONSULTANCY			
Individualised consultancy at home or at school tailored to your child's needs.	\$150 per hour	NA	NA
GIFTED PROGRAM			
1. Playgroup			
Potentially gifted children play, investigate and socialise with others of a similar intellectual level. Parents have access to professionals with knowledge of giftedness and experience with young gifted children.	\$170 per school term Based on a 10-week term	NA	NA
2. Consultancy			
Parents or early childhood centres can gain advice on decisions and strategies appropriate to their circumstances regarding a young gifted child.	\$200 per hour	NA	NA

Service	Cost	Helping Children with Autism Provider	Better Start Provider
3. Assessment STaR offers an assessment for <i>potential giftedness</i> that is a less comprehensive alternative to an IQ test. Information is considered from parents, early childhood teacher and brief ability tests.	\$220 Includes a brief written report	NA	NA
